Organization Completed for General Protestant Revival

The Rev. A. U. Boone, D. D., pastor of the First Baptist church, is chairman of the executive committees and the really lives in Crittender of the Erist Baptist church, is chairman of the executive committee is committee of the Erist Baptist church, is chairman of the executive committee in the Event Committee of the Ev

mittee are: Dr. Kemper, chairman: the Rev. W. L. Carson, assistant pastor of the Second Presbyterian church, R. B. Clinton, J. R. Hyde and R. P. Powell.

Powell.

A general committee of laymen representing the various churchen is being organized to conduct a church and Sunday school survey of the entire city, just before the simultaneous revival begins. It is believed that the survey will provide valuable data for use in the revival.

Preliminary preparations for the re-

the revival.

Preliminary preparations for the revival will begin about Feb. 21, by way of special prayer services in the churches and homes. During the week just preceding the revival, it is hoped to have more than 100 cottage prayer meetings held each night.

Some of the churches will engage evangelists, but in many of the churches the pastor will conduct the revival service.

ROBBED IN SHADOW OF HIS OWN HOME

Held up by two white men with pistols, almost in the shadow of his own home, Sam Jacobs, proprietor of a clothing store at Rozell street and

clothing store at Rozell street and Walker avenue, was robbed of \$239 in cash and checks aggregating \$22 Saturday night as he was on his way home after closing his store.

The men, who were white, knew Jacobs, but he did not know them. Neither was masked. As Jacobs reached Walker avenue the two men stepped from the darkness and covered him with pistols. They cursed him, and one said, as Jacobs looked toward the lights of his home, farther down the street. "We know you got the money, Jacobs, but you needn't look toward your house. We're going to get it."

The highwaymen led Jacobs past his house and across the Southern railway tracks, where they relieved him of his cash and checks and a pistol he carried.

Incohe called the Barksdale police sta-

Jacobs called the Barksdale police station at 11:05 Saturday night and Emergency Patrolmen Adkins and Fannon got a description of the robbers from him. Jacobs lives at 1047 Rozell street.

Buttermilk.

Two groups of pigs averaging 56 lbs Two groups of pigs averaging 56 lbs, were fed in a test. Group one received shelled corn 66 per cent, meal tankage, wheat middlings, salt. Group two was fed exactly the same, excepting that this group were allowed all the butter-milk that they would drink, and were marketed 62 days ahead.

SEMI-SOLID BUTTERMILK Jackson Ave, Feed Store.

ARMY TO DISPLAY **EQUIPMENT HERE**

Army equipment of varied and inter-esting types will be on exhibit this week in Court square, in line with the week in Court square, in line with the government's recruiting campaign now under way for soldiers for the new peace-time army.

Included in the list are powerfur searchlights used in France for the detection of enemy planes and a large tractor tank.

There are different types of tractor

There are different types of tractor tanks, ranging in horsepower from the six-ton tank to the 65-ton tank. One of these tractor tanks could run right through a block of houses or mow down a whole division of soldiers.

The tractor tank training center is located between Washington and Baltimore, where shops and training schools have been established for men who are mechanically inclined and who wish to develop a higher knowledge of tractor engines.

The crew that makes up the tank squad consists of five men, one being a first-class expert, the other four first-class mechanics.

The exhibition will remain in Memphis for one week.

The sensation of the year in the drug frade is Aspironal, the two-mirute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried. All drug stores are now supplied with the wonderful new clixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel you; cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for inlants and children. GET IT
